“ *Ski was the main person I knew in the Defense Contracting world who would always be ahead of the game; impatient to get down to brass tacks but always the compassionate team leader who wanted to hear from anyone who had something to contribute. A true leader, and fine example for others.*

“ *Was deeply saddened to hear that Bob had passed away. He was a fellow Marine and we were then colleagues at TASC. Bob was a exemplary leader, with a great sense of humor. My deepest condolences to Rebecca and family. Prayer has been offered. May the Great Architect of our Universe provide comfort, and may fond memories offer solace. God Bless. Will see you on the other side Ski.*
