“ *To the family of Robert Alexander, I offer my deepest condolences. He was a cheerful person who would brighten your day with his funny antics. Robert would always greet me with a "good morning or how are you feeling today Ms. R." Anytime the company sponsored a community service project, Gerda could always count on Robert to volunteer by using his woodwork skills. Rest in heaven dear friend.*

“ *Robert was always, without question, one of the most positive people I ever met. Being a Clemson football fan, Robert and I didn't always see eye to eye about college football, and although we had some heated debates, we each had respect for the other's team. He loved FSU football. He made me like FSU just with his positive attitude for them. I will miss Robert.*
