“ *Dear Corrine, I just learned last night (Monday the 20th.) about your father's passing. Naturally, you have my heartfelt sympathy and condolences. I can only hope his ending was peaceful and pain free. It's a mercy we all wish for. I hope you, your sisters and of course your mother are bearing up. Knowing someone is close to leaving us can prepare you somewhat, but the reality can still be quite crushing. But no matter what, life always prevails in the end and we continue. You are in my thoughts now and I wish you and your family spiritual peace. Love, Andy Santo Brooklyn (One of the Kelly's crew)*
