“ I worked with Bob for a brief period at Fenner Dunlop and he was a great inspiration and teacher to me during our time together. He created great friendships with many of the customers he worked with and had their ultimate respect. Many still ask about him today and state he was one of the best. “ So very saddened to hear of Bob's passing. Bob will always be remembered as a respected and talented co-worker and even more important as a greater family man. No matter where we were traveling in the world Bob would always light up sharing stories about Susie, Dylan, and Hayden. Bob loved to discuss what his boys were into...working on older cars and trucks and his hunting trips. Bob was one of the most even tempered people I've ever met and accepted every challenge with enthusiasm. Bob will be missed and I know his struggle has been a long one. Bob never seemed to be discouraged. His positive attitude is one we all should hope to have. My heartfelt sympathy to Susie, Dylan, and Hayden. Remember Bob for the great times and cherish those times and the joy you brought to him. To me Bob will always be remembered as 'Gido'. RIP Mr Gido.

“ Susie, Dylan, Hayden, Condolences and prayers for you and the entire family. Bob was a fantastic guy and will be missed dearly up here in Northwest Ohio. It had been over a year since Bob and I had talked, and a long time since we have seen you all. I just want you to know that in all my years working I have never been one to mix work relationships with personal friendships except for Bob. The Daytona 500 parties were just not the same after you moved south. It was a privilege to have worked with Bob and just to have known him makes me a better person. Ever conversation we had revolved around family, he loved you all so deeply. RIP "Guido"

“ Susie, Dylan and Hayden, I wanted to just say a few things about Bob that I could not say tonight at the wake. Bob was a great guy. He was always made me feel like he was glad to see me. So eager to catch up on my family and share stories about his. If you ask my boys what the best thing a man can be they will answer that "it is a family man". Bob was a champion when it came to that. It is what he lived for. He will always be an inspiration and reminder of how to be a family man. We were so lucky to have know him and will cherish the memories. RIP Bob. Eric Kominek and family.

“ I am greatly saddened to hear the news of the passing of Bob Gido. I hired Bob at Scandura, Inc. in 1988, and I worked with Bob when we were acquired by Fenner PLC in the UK. So...I watched Bob grow and mature as a Sales Engineer for decades. I noticed him in tough situations with our clients in the mining industry trying as best he could to solve problems not created by him, but nonetheless, they needed an answer; and more times than not...Bob found a solution. What I can say without a doubt, through those years, I never heard Bob say a cross word against anyone, and he always maintained a positive attitude, day and night. The world will be little less nice without his presence. My condolences to his wife Susie, his children and family!
