“ *My husband, son and I were very sorry to just find out about Bobs passing. We took him several video jobs and he was just a thoroughly nice guy, something that is becoming more and more rare. Our condolences to his family. I have this belief that when we have reached our maximum possible goodness on this earth, Jesus takes us with him. And I am sure he is in heaven now. blessings!

“ I'm so very sorry for your loss. Bob created a beautiful video for my son's wedding four years ago. He made it quite special, and I loved having the pleasure to work with him. We had planned for him to do a video for my other son's wedding in January, and when I was not able to get back in touch with him, I found out today that he had passed. He was a wonderful person, and I hope that you can take comfort in knowing how beautifully he touched other peoples' lives.

“ Even though I never had the pleasure of knowing Mr Madden, I was with him during his last moments. Along with many of our Little League baseball team's parents, we were the first to see his car in the woods and stopped. Immediately, our coaches performed cpr as I prayed over him. I prayed for a different outcome. I hope you can find peace in knowing he was not alone and was surrounded by a team of boys watching their Dad's be super heroes. I'm sure that was like the man Mr Madden was. May God Bless you and comfort you.

*In His Love,
