“ I am very sorry to hear of Roberts passing  
He and I go back almost as far as he and Vic F.  
He was a friend always willing to lend a hand when he could and  
had a wonderful big laugh and smile.  
God has called home Robert and reassigned him wings to watch  
over the grandkids.  
Sad to hear of him passing but he is home.

“ My name is Steve WELDON and I worked with Robert at Hurst Consulting and also with AREVA. Robert was one of the nicest and most unassuming people I ever had the joy to work with. When it came to work, there was little Robert couldn't do, and he always did it well.

*I remember when he retired, it seemed a bit early and I asked him why he was retiring early? He said it was to spend as much time as possible with his grandkids. He said if he was working then that would be one more day with his grandkids he would never get back.*

*My first grandchild was born on June 8 and I will be taking Robert's advice.*

*May God provide strength, comfort, and peace to his family. Robert will be missed.*

“ My very favorite memories of Robert and Brian were during family Christmas visits when the Manns of Mooresville would get together, and all the cousins would sing along with their amazing musical performances. RIP, dear buddy. We'll join in song with you on the flip side. Dona, Myron, Tamara
