

Robert Rowe

April 13, 1959 - March 25, 2025

Robert Rowe, age 65, of Cleveland, North Carolina, passed away on March 25, 2025

He was born on April 13, 1959, in Hammond, Indiana. Bob is preceded in death by his parents, Myrna and Russ Rowe. He is survived by his wife of 40 years, Carol Rowe; sons, Shawn Rowe (Tiffany) and Shane Rowe (Brooke); Grandchildren, Charlie, Paxton, Callie, and ClaraJean; sister, Connie Ginn (Pete); and Debbie Perkins; as well as many nieces, nephews, and extended family.

Bob was a simple man who loved his family and sunshine. He was a skilled woodworker, capable of building or repairing anything, and spent much of his life showcasing his talents. Bob built many cabinets for customers, but his favorite client was always his wife, as he could bring all her ideas to life. He cherished his time outdoors and could often be found chasing the sun on any warm day. If Bob ever went missing, everyone knew to look outside and check the blue chair because Bob would likely be nearby. However, nothing could compare to the moments he spent playing with his grandbabies or working in the yard. Bob enjoyed passing down his skills and letting the grandchildren help with whatever yard work needed to be done, from painting flower boxes to measuring wood for projects. Bob never met a stranger and was cherished by many family members, friends, and neighbors.

Celebration of Life will be held on Saturday, April 5 from 3-5 pm at Cavin Cook Funeral Home 494 East Plaza Drive, Mooresville, NC 28115

“ Bob was one of kind; Humorous and caring. A great uncle to our kids So many happy memories; coming to help with projects and pulling our kids loose teeth when we chickened out. We are grateful to have had him in our lives and so sad for his passing.

“ *If memory serves me correctly, Bob and I met at his Grandparents anniversary party approximately 35 years ago. He said he was glad to meet me because he needed a new best friend. We were pretty much inseparable from that day. He was a true craftsman who taught me so much. His sense of humor was contagious. We would laugh until our faces would hurt. We had many adventures and worked on countless projects together. To this day I channel his energy whenever I attempt something I'm unsure of. I love you Bob*
