“ *I am a Park Ranger with Lee County, and have spoken with Bobby several times during my patrols of Estero Park. He was always ready to assist in any way necessary, gave me good information about issues in the park I needed to be aware of, and always had a smile on his face. I had the pleasure of having him in my CPR class, where he offered a lot of his past experiences in CPR and First Aid. He was a joy to have in class, and a joy to know. My prayers are for comfort and healing for the family. In time, you will be able to look back on so many great memories, and those will keep you moving forward. Blessings to all. Sincerely, Mike.*

“ Worked with Bobby at Mallard Head Country Club. I used to use a camcorder at the course a lot and he was intrigued by it. It led to his career in TV. He was a dedicated firefighter and a salt of the earth kind of guy. He was a good guy and I will miss him. Maybe I can tell his son about him one day.
