“ *Thank you for all the kind messages and memories sent in memory of our precious loved one...Momma loved you all. She was a great Mom and has and will be on my mind and in my heart forever. Today it has been a month since Mom's passing and the lumps in my throat remind me that 60 years was not quite enough time for me to have spent with my Mom...however, the memories are great! Our God and the memories will carry me through until I meet you Momma on the other side...Mom would want me to thank you all for your kind words. You are loved!*

“ Alvin, Belinda and David, You have been in my thoughts and prayers all week. I am so sorry for your loss but we all can rejoice that she has finished her race and has gone to a better place. I have such wonderful memories of Blanche. She was always so kind and loving. What a wonderful friend! I remember when we were all kids and how our families would get together. I know she was one of mother's closest friends. She was there for Mom in her last years supporting her to the end. She will be missed! I will keep you all in my prayers in the coming days! With sympathy, Wanda and Bob Davis

“ Marie and I are so saddened by the passing of Aunt Roberta, but I often still smile as she told me during our last visit that she thought I turned out OK.

“ 11 You have turned for me my mourning into dancing; you have loosed my sackcloth and clothed me with gladness, 12 that my glory may sing your praise and not be silent. O Lord my God, I will give thanks to you forever! (Psalms 30 11-12) With deepest sympathy during this time of great sorrow...

“ Dear Alvin, David, and Belinda. Fifty some years later and my childhood memory still remembers our enjoyable visits to your home and how welcoming your mom [and dad] were when her brother [dad] would show up unannounced. Please know that even though I am hundreds of miles away I am praying for all of you. Death leaves a heartache no one can heal, Love leaves a memory no one can steal. My deepest sympathy for your loss.
