“ Doug and Family, I am so sorry to learn of your loss of Robin, as I just back from North Carolina today and my Mom asked me if I knew about Robin. I told her I did not know and that there had not been nothing on Facebook. My Mom told me in all the years I was in racing and she was around some that she did not know that Robin was from Roanoke originally and was a Niday. My Mom was from the Roanoke area but moved in with me in 2005 in Mooresville.

May God be with each of you in the coming days, cherish all of your wonderful memories of her as she was a special person to have known. Just know that you will see her again over there along with others who have gone on before in a much better place than we are today.

God bless each of you, take care of another and please continue to be safe.

“ Robin's inspirational battle with cancer was unrelenting as she fought her disease with courage, hope and conviction. Her deep faith and fighting spirit carried her through many months of challenging treatments and would not allow her to give up. Her unwavering compassion, devotion and life-long dedication to her animal rescue mission was beyond compare. She will be deeply missed by her family, friends and beholden fur babies .

“ Doug and Angie, We are so sorry for your loss. Our little "Red Bird Robin" flew to heaven to be with Jesus and no more pain or sickness now. You both took excellent care of her for five long years. You also took good care of her "Fur Babies" and I know they will miss her so much. We pray God will be with you both in the days ahead and give you peace. It was a privilege to know her and call her my Friend. Blessings and Peace to you both and the rest of the family.
