“ Rodney was working for Spraker Racing when we met him. We got to know him in the shop and also at all the races when he went to the racetrack. From the moment we met him he was always so kind, helpful, easy to get to know, friendly, laughing, having fun, and caring about others. Quite shocked and so very sorry to hear of his passing. We are praying for his family. Our deepest condolences. Terry, Michelle and Alex Kennedy

“ Always and forever uncle Rodney. Thank you for your support and wise words for my little family that began with your great nephew Jarek. You. Loved him so much with just the little time you were able to spend with him. Jay Jarek and I love you, and will always tenner you. Thank you for your love, because, that's just who you were. A very loving kind wise funny and having your back kind of guy. There's not anything that I can say to make it easier that you're gone. I don't want to except it. It's not just a dream though and I don't want to stop typing because that means I have to say bye. I'm not ready for that So. I love you uncle and thank you for everything you did and more. You will be truly missed. Taken way to soon. Fly high uncle. We love you.
