

Roman Duski

September 28, 1939 - January 29, 2022

Roman Duski was born in Koscierzyna, Poland on September 28, 1939. He was the 5th of 6 children born to Jan and Franciszka Duski. He was raised as a devoted Catholic. Roman spent his working years in Poland managing residential construction sites and a building materials manufacturing plant. In 1996, Roman along with his wife, Danuta, moved to Connecticut, United States, to be closer to their only son, Tomasz, and his family. More recently, during summer 2020 they once again followed the immediate family, moving to Mooresville, North Carolina.

Roman had an analytical and technical mind. He was a long-term friend to many, and he always enjoyed insightful conversations on a variety of topics. Whenever asked, he has been able to provide sound advice to others. He loved playing bridge and solving countless crossword puzzles. He was passionate about following all sports, from European football (or soccer) to American football and baseball.

Roman was a loving husband, father and grandfather. He always placed family values as the most important and supported unconditionally his son's and grandchildren's pursuit of their academic and professional goals.

He is survived by his loving wife of 56 years, Danuta; son, Tomasz Duski (Vicki); grandchildren, Stephanie and Michael Duski; sister, Janina Rogaczewska.

A private family service will be held at a later date.
