“ Such a nice man. He and Frank Owens allowed me into their "inner circle" at Bob's Grill even though I taught at Lake Norman High School. :). Great honorable man and we shared many conversations about Mooresville, the weather, the Carolina Panthers, and me being from Michigan. He was also gracious enough to allow our driving school into the Christmas Parade if as he said, "You don't run into anything on Main Street." Will be greatly missed. Thoughts are with the family at this time.

“ We will forever miss Ron (over the fence)! 22 years of conversations at the fence, he and Tommy solved the world's problems, told and retold stories!

Ron always offered gardening tips and shared many bags of his wonderful vegetables with us.

Ron could be stubborn but I knew the way to get him to see things my way was with a gift of deviled eggs!

We will miss hearing Ron saying, “now listen” that is when we knew to pull up a chair and hear him out!

Rest easy Mr. Ron!
