“ I would like Ronnie Freeman's family and friends what a gift it was to have Ronnie as a cousin. He and his brother Carl were in our very first band together. We've had many wonderful adventures together ever since. He was always kind and loving to my son and I. Ronnie will forever love within our hearts.

“ Ronnie was my best friend. He was the one that I would talk to about everything in my life that mattered. What a wonderful man. One that never judged but listened . He loved his family and admitted mistakes but never waivered from wanting a peaceful life that he loved. Very gentle and caring and funny too. He missed his father a lot and spoke of him often. Wishing he had made some better choices in some parts of his life, but one thing is for sure, he loved everyone.

“ I moved out West over 30 years ago but got to see Ronnie a couple times when I was back there visiting a couple times. All through the years each time was as if we had just seen each other. Reminiscing about the "good old days", talk about music and family and always that easy going smile and attitude. It was a privilege to call him my friend. All my best to April and the family in this difficult time. Jim Newman

Rest in Peace Ronnie you will be missed. I remember all the times I used to go over to your house when we was growing up and going to school. Listening to music and you playing music over the years. I can't believe you're gone. You was such a beautiful soul. Anyone who knew you loved you. I don't think I knew anyone that ever had anything negative to say about you. You was loved by so many. I know you will be playing music in heaven. My deepest sympathy to your family. 💜💜

“ To the family and friends of Ronnie, your raised a good son, none finer, he was a joy to go through high school with and he was always a very respectable man, fun to party with just a all round good person, never one to judge, not like some of us, he was more tamer, his love of the drums was his life and he was the best at it, may he rest in peace.

Ronnie and I attended Mt Mourne school together many years ago. I will always remember in 6th grade, the night his band played at the school for a "cake walk"! Ronnie will be remembered by me as the sweetest and cutest boy in elementary school. He loved playing the drums and was always kind to everyone. Fly high Ronnie. You will be missed by many.
