“ Aunt Rosie ,
I will miss talking to you and all the stories you told me. I will cherish them forever! I have been thinking about when I was a kid and you would take me to your house and we would always go out to eat at the Diner. I have many beautiful memories of you and our families. I hope you are at Peace. Rest easy. Forever in my Heart. 💔
Love your Godchild, Annette

“ I can remember many years ago Rose and Ralph, my husband, Eddie and I went to AC for the day. We had such a good time in the casinos and then we stop for something to eat on the way home and we were singing in the car so that was a really great memory for me, also just want to say that I remember going into the house and how she would vacuum a certain way in the living room and it was always so perfect. I tried couldn't even make it the same way that she did and also she was very loving to my husband and for that, I will always remember her for rest in peace rose. I know you're happy because Ralph is waiting for you all this time and I hope that you get together with my head and the three of you go sailing somewhere beautiful on a beautiful sailboat up in heaven, you will be missed
