

## Ross James Bricker

November 21, 1994 - July 16, 2021

Ross James Bricker, loving son, brother, uncle, and friend, passed away unexpectedly on July 16th, at the age of 26 in his hometown of Mooresville, NC.

Anyone that met Ross liked him and quickly became aware of his love for music and mother nature. In his spare time, if he wasn't playing guitar, he was hiking in the mountains. He had recently given his life to Christ and loved sharing how the Lord was working in his life.

He is survived by his father, Andrew Bricker; mother, Dawn Bricker; sister, Hannah Brantley (Dakota); two nephews; grandmother, Loretta Bricker; and grandfather, Michael Barber.

A memorial will be held at Williamson Chapel in Mooresville, NC on Monday, July 19th from 7:00-8:00pm. In lieu of flowers please make donations in honor of Ross to Bridge to Recovery.

“ Dawn, Andy and Hannah- We are so sorry for your loss. We remember Ross as a little kid fishing off the dock with a great big smile on his face showing off the fish. I will always cherish the times he played the guitar off the back deck- I would clap loudly and ask for more. He was such a gifted musical talent, it is such a shame. Ross was a kind, sensitive young man, we feel your sorrow.

“ It broke my heart to hear this just now. Words escape me. Ross was one of my favorite students, the only one I ever let get up on stage with me at a gig. He was one of the nicest people I ever had the pleasure of meeting and the honor of teaching. Just such a genuinely kind soul. Andy and Dawn, I can't express my deepest condolences properly or enough. My heart goes out to you. I can't even imagine what you're going through, but know that we all loved Ross.

“ On a visit to grandpa Mike's about 2 years ago, Ross and I sat up watching movies that he brought with him til 3 in the morning..he shared a lot of his feelings and experiences about his drug addiction. It was a truthful and heartfelt summary of his life at that time. Everyone was asleep..just us..he was a fun, funny, and soft hearted young man sadly led astray by the destructive force that all drug abused individuals end up with. We all loved him thru it all.
