“ Still remember this day mama was polishing her nails like yesterday, the memories of her last birthday we dressed her up in a crown and pink boa..and mostly how tightly she held onto my waist 3weeks ago overjoyed we visited like she knew it was gonna be our last hug. Even when Scott tapped her shoulder she wouldnt let go of me 😍 Fly high mama I know you hated being confined so spread your wings and fly high. You will forever live on in our hearts. We love you!
