“ *Cindy... Your mother was a precious lady! I worked at Davidson College when she worked there in the laundry, and I remember the first time I met her. From that day on I had made a lifelong friend. Such a beautiful lady, inside and out, that will truly be missed! I did not get to attend her funeral service, but did get to watch it online. Such a wonderful "home going" tribute! Cindy, my prayer is that God will wrap His arms around you, and the entire family, and give you all of the peace and comfort that only HE can give... Heartfelt Hugs to you all!*

“ Cindy, so sorry for your loss. At least you got to spend the last 7 years of your mother's life with her. My brother, caregiver and sister-in-law made sure that I didn't have any contact with my mother at all. I never got to be with her when she was on her death bed because she was so heavily guarded by one of them. I had to make arrangements with the funeral home to get to see her on the day of her death after they brought her body in from the hospital. Thank GOD that you don't have any siblings to do this to you. It was 7 years of torture for me.
