“ *My deepest condolences to Mrs. Heilmann's family and friends; while no words may ease your pain, rest assured that the pain we feel won't go on forever. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they're resurrected back to life. Once resurrected, they can enjoy the promise found at Revelation 21:4 which speaks of a world in which death, tears, mourning, and pain don't exist, for "the former things have passed away". “ I knew your mom from the hospital. I work night shift, and we talked every night I was there. Your mother touched my heart. We talked about the jewelry I made and about her wonderful children. I'm sorry I didn't get the opportunity to meet you. I pray for you all at the passing of your mother.
