“ The 2 strongest women I have ever known are my 2 SIL. We lost Kathy Lasky in 2015 & now we have lost Ruth Ann. I always admired her parenting skills & wished I could be more like her. She & Stanley raised 3 wonderful kids who are now outstanding adults. I can not image family gatherings without her. Love you Ruth Ann!

“ Stan, Jason, Justin, and Jennifer. We are all shocked at this news of Ruth's passing. She was so kind and caring and a loving person. She always looked at the positive things around her. I know you both looked forward to this new start in NC being close to your children and grandchildren. We will pray for all of you and hope God gives you the strength to go forward. You are all like family to me for a very long time. Please let me know if we can help with anything at all. Ruth's memory will always be in our hearts.

“ You have my deepest sympathy on Ruth's death. I met Ruth  
through my daughter, Jaclyn when she was in high school with Jen.  
Ruth, was a very beautiful and caring person, who always had a  
smile on her face. She was my nurse when I had knee surgery. She  
was so sweet and comforting. May all the beautiful memories you  
hold in your hearts, help you through this very difficult time. ❤️ and  
prayers to all.

“ *Steve Richard introduced me to Ruth Ann at the speedway when he was an announcer. We all spent a long weekend in the Bahama's together. Ruth Ann was a warm loving fun person that I enjoyed spending time with. Steve always had a smile on his face when he saw her. That is the kind of person Ruth Ann was. As soon as you saw her you wanted to run up to her and talk. As soon as you saw her you smiled. I have not seen Ruth Ann in quite a few years but my heart felt a void when I heard that she had passed. RIP Ruth Ann, I know I will see you in heaven. and Stanley,(AKA Big man) I know how you are feeling right now and I will be praying for you and your sweet family. Amy Sue Lovas*
