“ *Dear Family,
My mom Gilda McCurdy Haithcox and Samantha's mom Penny were cousins. As kids, I remember my grandparents Jim and Polly McCurdy taking me to my great grandparents house across from Jesse and Cotton's where Samantha and I would play together. It's such sad news to hear of her passing. When we were small I was always jealous that she had a "house" made of boxes in the back room. Look at her now with a Home in Heaven! Please know that the McCurdy family sends our love and deepest condolences.*

“ *Mark, Penny, and all family of Samantha, our hearts go out to you. We know your pain. It has only been a year since we lost our daughter. There is nothing anyone can say to stop the hurt and pain but know that she is in a better place. He has a plan so we put our grief in his hands and with that and the love of family and friends you will get through this. As long as she stays in your heart, she will always be with you. May God bless your families through this difficult time.*

With love

I was so sad to hear about Samantha. Such a precious little flower girl in my wedding. She was a beautiful little girl that turned into a beautiful woman. I remember her singing in the car when we were hanging out together Penny many years ago. She had an angelic voice. Now she is in heaven singing her heart out. I pray that God will give all of you the comfort and peace that only He can give. Love to you all.

I'm stunned and heartbroken. Samantha and I met at a conference and hit it off famously. Always with a smile. I will miss her.

My heart is breaking hearing about Samantha. I didn't know otherwise I would have attempted to come see you. Samantha was so beautiful, so sweet and smart. I will never forget the camping trips we took the kids on so long ago. Our children were and always be our little angels in our hearts. God has Samantha in his arms and she's with him now. I truly believe that so I hope you can find some peace knowing she's with our heavenly father in heaven. I have you in my thoughts and prayers and I will continue to pray for your family. We go along ways back so know that you have always held a piece of my heart. I love you so much and just know how much I hated hearing about Samantha s battle. She is at peace with God.
