“ *light a candle, see it glow, watch it dance, when you feel low, think of me, think of light, I'll always be here, day or night, a candle flickers, out of sight, but in your heart, I still burn bright, think not of sadness, that I'm not near, think of gladness, and joyous cheer, I have not left, I am not gone, I'm here to stay my little one, so when you light a candle and you see it glow and you watch it dance in your heart you'll know that I would never leave you even when you feel so blue I'm sitting up here with the Lord and now watching over you*
