“ *Dear Kim & Casey, I was both shocked & sadden to hear of your Mom's passing. I had just spoken to her on the phone a couple of days ago. I called to let her know that my husband had passed away. We grew up together on the "Mill Hill". My first husband & I lived next door to you all when you two were small. I loved both your Mom & Dad. They will be greatly missed. Please know that your families will remain in my prayers. I will see you all tonight. Sincerely, Pat (Ferrell) Williams*

“ Today we lost a sweet and very dear loved one in our lives. Mamaw always had a smile and a kind word to say. She was always there for me and my family. Her and Keith was always like a second family to us and took us in just as if we had always been in their life. We know where she is right now with her heavenly father and dear husband the love of her life. I know that they are dancing and having the time of their life with their new bodies with no more pain or sorrow. Mamaw we love you so much and will miss you but one day when we are together again I want to see that dance. We have so many wonderful memories that we will always carry with us. We love you forever.
