“ *She was my mother. I was her youngest child. I lost my father, her husband in May of this year. I never thought in all my life that I would lose both of my parents in the same year. My birthday is December 11th, and now for the rest of my life, I will always remember that my mother passed away the day before my birthday. I miss my mother, it wasn't supposed to happen this way. I need to grasp the fact that these things are not planned, things happen. It was expected, but getting the phone call was unexpected. My wife Isabell and I love my mother and we will forever miss her. Now her and my father are reunited, relaxing on a beach with their beloved dog Otto by their side.*
