“ Scot was so loved by our crew at Strong Tower in VA. He was our “Maestro “, an anointed genius at the keyboard. He has been missed greatly since he moved. All of us here who were part of our regular gatherings after church think so well of him, his mastery on the keyboards, his intelligence, but especially his kindness and faith in our Savior. He truly lived a life that exemplified Christ. Thankfully, we will all see each other once more in heaven. Love you “Maestro” ... mother mel.
