“ *Seth was the type person that was always doing for others whether it was for Scouting or for a neighbor. In Scouting, we would ask him to do something at the county level and usually he already had it done or lined up to be taken care of. His part in Eagle Scout Ceremonies at Troop # 332 was always enjoyable and heart warming for the the Scout being awarded. He always shared something funny from the past and then serious comments of how the young Scout had grown into being a young man.*

“ Seth was such a wonderful example of the Scout Oath and Law. He was always kind and courteous. Seth always saw the good in everyone and the silver lining in every situation. He was a hard worker and never complained. Seth held his Scouts to a high level but they loved and respected him. He loved his family and always wanted the best for them. Seth will be greatly missed.

Seth seemed like a special man from my time spent talking with him at Cub Scout day camp and was lucky to see him just this last summer. I hope he is at peace and pray his family find comfort knowing how many people loved him in the Scouting community.
