“ *Shana is my step sister and I couldn't have asked for better one. She had the biggest and kindest heart I have ever seen in a person. I'm going to miss our long talks and text conversations. She is definitely loved by many and will be missed tremendously.*

“ *my loving wife (Shana Gaines Swartz) was an angel that did not know a stranger! She unfortunately lost her battle with Stage 5 Renal failure as her heart had stopped while in her sleep. she loved Jesus and reading her bible. she also loved yard saleing while getting exceptional deals from both Dollar General and on post at Ft Riley, KS or online. she could easily have started her own store and most times bought extra just to sell for profit. we did pray for a kidney as we did every night the night she died. she was excited about moving back home to be with family and friends. in short - she IS my soul mate!!*
