“ I am so sorry to Shannon's family and friends. I have known Shannon for many years. She always lit up the room with that beautiful smile. She was one of the sweetest people I have ever known. I saw her recently and she was still the same positive, sweet, happy person I have always known her to be. She was an angel here on earth. I will always remember our fun times together and she will never be forgotten.
Rest in Peace Beautiful. My heart still cannot believe you are gone.
Prayers for you all.

“ Shannon and I have worked together since 2009. At first part time then we grew enough for her to work full time . It would have been impossible to achieve what we have without Shannon Eversole. We grew from nothing to a multi million dollar company and she was as much responsible for that as anyone.

Shannon totally immersed herself into the company and we all became a big happy family. We will do our best to move on and honor her memory. Through honesty integrity and love for life. But I already know things will never be the same.

Monday morning when I walked into the office there was the cork board with a picture of her and her husband above her desk. There was that huge beautiful smile that just says I'm so happy and I love life. Much like the one here. And beside it pictures of her girls; friends and family that she absolutely adored.

She loved her husband and her two girls from the bottom of her heart. They were her everything. She was so proud of them and all they have accomplished. I know they are devastated. And I am so sorry for your loss.

Shannon had become great friends with my wife and my three girls. My girls spent a lot of time around the office. She would talk Netflix shows with Kendall. Make paper planes with Abigail and give Boy advice to Payten. I truly appreciate the positive influence she had on my family. And I will be forever grateful for it.

It was absolutely soul crushing to tell my girls 16, 14, and 7 of her passing. I still can't believe it myself. I'm still waiting to go in one day and have her greet me with that same bubbly attitude she always had everyday.

Shannon was the most honest, loyal hard working woman I have ever known. She will be missed by everyone that knew her. Thank you for everything you have ever done for me, my family and my

business. I will forever be indebted to you.

May your beautiful soul Rest In Peace ❤️

“ I met Shannon when we were in ninth grade. The picture on this page, is how I have always seen her. A beautiful smile on her face. She was always kind and sweet. Like most high school friendships,ours floated away. The world works in mysterious way, and I had the pleasure of reconnecting with Shannon about 10 years ago. A second generation of friendships bloomed between our daughters. I am so thankful for having had the opportunity to reconnect with my old friend and watch our daughters grow into beautiful young adults. My dear sweet Heaven, my heart is broken for you and your family. You will always have a special place in my heart . Love, Angel

“ I still cannot believe this beautiful soul is no longer on this Earth. I had the pleasure of meeting Shannon when I started a new job. Rather than just being coworkers, we quickly became friends. She was so easy to talk to, and with a huge warm smile you wanted to tell her almost everything- and she had many life stories to share and advice to lend. We would talk often during the day at work, she introduced me to the shooting range-which I found out I loved, we would go to dinners together, she even took me to yoga - which I was later encouraged not to sign up for classes....guess I just can't be quiet that long 🤔 I also had the privilege of running a few races with her.... maybe I should say jogging/ fast walking obstacle courses lol! There are so many memories I had with her and not nearly enough that I could have had if time hadn't gotten the best of us. Certainly going to miss her and still cannot believe that she is gone. Praying for Shannon and her family during this time of loss. But I hope we can all look back and remember the wonderful times we had with such a wonderful person! Rest in peace my beautiful friend 🙏🥹

Sandy, I am so shocked, sad and just so, so sorry to learn Shannon has passed. I remember going to the lake with Shannon, you and your family when Shannon and I were in elementary school... maybe not long after y'all moved to Troutman. She was such a beautiful, beaming soul. I had not seen her or spoke to her in a lot of years but through our social media connection, it's obvious she created a lovely life and made the world a more joyful place. I will always remember her as a friend and someone I shared my Troutman roots with. ❤️ Thinking of all of you, those who knew and loved her best. Kelli Sutton
