“ *Shari was my best friend at Brawley School in our elementary grades and also my across the road neighbor. She lived where the Brawley Commons Shopping Center is now in a two story house. Her family was the best. Shari took piano and dancing lessons and I was so jealous. I lost contact with her after her family moved to Davidson, but I still remember the fun times we had on her family farm. We picked cotton for her dad to get money for the county fair and played dress up in her big house's attic. Great childhood memories!*

She loved animals ,,very pretty and loving. I miss her and hope she is at peace with Gd and her family.
