“ To the McClellan family you have my deepest sympathy. I pray that your family feels God's comfort and strength as you grieve your loved one, Sharon. I remember Sharon and Karen from when they were little girls coming to Sunday school and church with the rest of the Kennedy family. I was so smitten by them as I am a twin too and I just admired how they were so in tune with each other like me and my twin. The family as a whole were very quiet and had a mild demeanor about them. I watched as Sharon and Karen grew up and into lovely young, smart, intelligent, successful ladies. The both of them were nice girls and very protective of each other as you could see by observing them. I knew them as respectful, mannerable girls and adored them both. I just knew of Sharon from those times at church and watched her blossom from afar and what I saw was that she was a sharp young lady. I know she's in heaven singing with the angels now in the choir with her mom. Sharon I will always remember you and that smile. Love Monica Daley - FBC, College Park

“ To the McClelland Family:

*My heart is broken, Sharon is my sister-friend, a colleague since 1988. We worked at CMC Main, 10T when it was 1B, before the Towers were built. MICU before the ICU tower was constructed. She went to University's ED, and I went to University's ICU in the late 90s. She was there when all four of my children were carried and brought into this world. I was there when her husband was her boyfriend. So many years passed, as we both aged, she became a wife, mother, always a caregiver, teacher, mentor and remained a friend. Now my heart is broken because she has been called to become an angel on our shoulders. There are no words. God help her loved ones who remain to find the strength and understand how blessed we all are to have been graced with her presence. Allow Sharon to rest well. We will always love her. Lord, help us with our sorrow. My condolences to her loving husband, children, parents, siblings, family and friends.*

*In Jesus name I pray,  
Amen.*

“ I knew Sharon during the early years of her life. I was blessed to be her Sunday School teacher at First Baptist Church of College Park, Maryland. She was an active participant, along with her siblings as we learned about the Good News of Jesus Christ. I watched her grow into a beautiful young lady, who ventured off to college, full of expectancy and vigor for being of help to others. She had a ready smile and a quick wit. She loved life and lived it to the fullest. That light that shone on earth is now shining brightly in her heavenly home.

*I extend my sincere condolences to Deacon Kennedy, all of Sharon's siblings and especially to her husband and children. God's peace.*

*CT To the Kennedy and McClelland family: I remember Sharon from a little girl when she became a beautiful young lady. She always wore a warm and friendly smile. She and her siblings grew up with my children and other children on Cotdwall Drive, I know the families will miss her enthusiastic attitude towards life, but memories of her will always remain in your hearts. God bless all of you and give you loving strength as you go on without her. From the Blackburn family ❤️*

“ I learned to know Sharon in one of our nursing councils at University as she was co-chair and I so enjoyed getting to know her. She had such a kind spirit and was so committed to her profession! She will truly be missed but heaven has definitely gained an angel. It was a privilege to know her and my condolences go to her family at this time.

“ People come into our lives for a reason. Sharon touched many lives in her career as a nurse. She wasn't "just a nurse". Sharon served her life in many ways- Wife, Mother, daughter, caregiver, teacher, counselor, last but not least friend. I had the privilege to know her for over 24 years. Although she was very private person, those who she encountered, even for minutes automatically knew her passion to serve. I know that with her guidance I am a better person. One of the many things Sharon taught me was to strive to be humble. Sharon had a calming, caring approach in life. She always had a beautiful smile, a kind word or even just a quietness that showed she truly cared. Even in times of sorrow she was able to put her feelings aside in order to assist others. I will continue to look for your guidance from heaven. My heart-felt sympathies to her family. Live in the memories. Sharon, your service here is done. Go rest in the arms of your Savior.
