“ Sheila was the essence of sweetness. We attended St. Joseph's Elementary School together. We went to different high schools but stayed friends.

Sheila was always willing to help, like asking her father if I could use his photography dark room for my photography homework and driving all the girls around town in her father's limo. What Fun! She was the one I could call when I needed to recall a teacher's or student's name. Her smile and laugh will always be part of my sweet memories of her.

“ Sheila was such a beautiful woman on the inside & outside. We were friends in Buffalo and remained so even though we were miles apart. She loved her family and was such a dear person. My sincere sympathy to Roy and all the family.
