“ Sherry, I can't imagine life without you in it. I remember the year you started at Bandys and for whatever reason you chose me to be your friend. I'm so thankful that you did. I will cherish our friendship and the times we spent together. You are forever in my heart. To Beverly and Brandy my heart breaks for you both because I know how much you loved Sherry and how you cared for her over the years when she needed you the most. To the family, I will keep each of you in my prayers. You have lost a precious angel. May God's love and mercy bring you peace and comfort.
