“ Dear Brother Rolland Jones & Beloved Family, Our dear Sister Shirley Jones and my adopted mom will forever be etched in my heart. From the moment I met her I saw true beauty inside and out. She loved life and all the wonderful things she was blessed to do with her talents. Her beauty, love of the arts and kind and gentle way was unique only to her. Her love for her husband and family was outstanding. I only think beauty when I think of mom. She loved Jehovah and everything about his wonderful organization and purpose. I'll miss her and my heart is heavy but I know we'll see her again soon. May Jehovah comfort your hearts and keep you in his care. Love Always, Niecy Newman and Family.
