Susan/Wayne - Aunt Shirley will never be forgotten. I'm thankful to have seen her on my last visit to North Carolina. I will always remember going to the Lake and getting to see a different cat or dog every time I visited. She loved her animals and I can only imagine the headcount of all of them over the years. My thoughts and prayers are with the entire family today and the days to come as you learn your new normal without her in it. Much Love, George and Tami Williams
