“ Mrs. Kale was an adopted grandmother to my husband and loved his family so well. She also loved me and made me feel so special - she was smart, loving, and loved the Lord! She also loved her family very much - she made an impact on my life and my husband's life- she helped pray our sons into existence. She has entered her sweet reward!

“ I worked alongside Shirley for many years. She was sweet, kind, knowledgeable, honest, caring & fun. The perfect combination for a well-respected co-worker. She will be greatly missed. I was supposed to meet her and some other co-workers, not too long ago and because of her health it didn't happen. I so wish it could have so I could tell her in person how much I looked up to her. Many prayers and condolences to her loving family!

“ I had the absolute pleasure of working with Shirley at Catawba Valley Medical Center when she was a volunteer for the Lifeline Program. She was the truest example of what being a true Christian is all about. Always pleasant and gracious, Shirley brought joy to everyone she encountered. We stayed in touch through social media after she moved from Hickory. She was a “keeper” and I will cherish my very fond memories of her. My sincere condolences to Shirley’s family.
