“ *This is a beautiful picture of Shirley. It's exactly how I remember her. When I learned of her passing this morning, I thanked God for my relationship with this lovely woman. I met her 18 years ago in a Bible study and we continued different Bible studies off and on for all these years. My friends and I had lots of happy times with her working on projects, going to see Joyce Meyer in person, Christmas get togethers, lunches, breakfasts ---most of all I treasure the wisdom I gained from Shirley in too many areas to count. I am blessed to have known her. Bye Shirley-- thank you for everything and see you again one day.*

*Much love,
