“ *My thoughts and prayers to all the family. Shirley and I were good friends in high school. We would spend the night at each other's home. I can remember us laying out in the sun in the summer, and Shirley could stay out there for hours, which after 15 minutes, it was enough for me. I remember when her twins were born. I found that was no easy job, especially at night. When she left Mooresville, and I married, we lost contact with each other, but I will not forget some of the good times we had.*

“ Hope and I cannot stop thinking of Shirley - Mark and Larry and the rest of the family. We know how difficult it is to lose a family member. We thought a lot of Shirley. She was always good to us and we enjoyed the times we visited with her. Our dog, Bella, loved her too. She would run across the street anytime she saw Shirley outside. We will miss seeing her sitting outside or checking her flowers. We are here now for the family. Mark and Larry are also good friends of ours, and their families. We hope to be able to ease the pain of loss as time moves on. Luann Laubscher and Hope Caywood and Bella
