*“ Thomas and "Little Ricky", ( I know you must hate that name by now but you will always be little Ricky to me), when i heard this news about your Mom, it really shook me hard! Angel was my friend, I loved her like a sister. We lived miles apart but we managed to stay in touch and talk often, going over memories, laughing and just remembering it all. We lost touch for about 5 years and I happened to remember she had a brother, Thomas, and one day i saw him on FB. I messaged him , found out where she was and made contact immediatly. It was like no time lapse at all! I will FOREVER keep the memories close of the person she was, the struggles she endured and how she faced everyday and just did what she had to do for you guys. Her love for you and Thomas was never ending, you lit up her world. I am so sorry!! I will miss her!! I will NEVER forget the amazing friendship we shared over the phone!!*
