“ *Sending condolences from ManorCare in Reading Pa. Some of our patients leave a lasting impression and Stas was definitely one of them! He wrote us a letter a few years ago and it brought us all to tears. It was so nice to hear from him and he shocked us when he said he actually wrote it by himself. We all were so happy to see his improvements. We are so sorry to hear of his passing. Stas was a great person with a big heart. His memory will be carried in our hearts forever. Sorry for your loss!*

“ Stas was a wonderful brother and person. Never selfish. Always loving, happy, and positive even at the hardest times of his life. He always brought a smile to my face. I am very fortunate to have been by his side for the last few years of his life. Even though my heart is broken into a million pieces, I'm glad he is no longer suffering. I would do anything to have him back but he is now walking around in heaven, riding his motorcycle, fishing, playing his guitar, watching the Eagles and the Phillies waiting for his family and friends to join him one day with a huge smile on his face. He has touched so many people's lives with his "never give up" attitude. I will never forget him. He will always be my "little big brother" I love you Stas.

“ No words I put here will convey the emotions I feel for my beloved cousin and all my family. Stas, you were so much fun to grow up with. I was hoping to spend more time with you, your brothers, sister, mother and father. I want you all to know that no matter what has happened or will happen, I hold you all close to my heart.

“ Stas was the best brother a sister could have! He never said no to anything I asked him to do for me. He was always had a positive outlook on life! He always knew how to make me smile. There is not enough room for me to list all of the memories that Stas has left for me. I cry for him, but not tears of sadness, that would be selfish. These tears are tears of joy - the joy that he has brought me for 41 years of my life. Stas has earned his wings and now watches over me. No more wheelchair, no more anything! I can just see him now - jamming on his guitar with Jesus - what a sight. Until we meet again my little brother - I will love you until the end of time! your, Sissy Mel
