“ *I worked for a number of years at Dana in Statesville, making all the travel arrangements for everyone there. Stan was such a great person to work with and assist when he had to go on the road. I am sadden to know of his transition and send love and blessings and thoughts of peace and comfort to you, Joyce, and all who knew and loved Stan.*

“ I send my deepest condolences to the family and friends of Mr. Eilmann. Although I did not know him personally, I, too, have experienced the loss of a loved one some years ago and know it is a difficult situation to face. I pray that his family and friends can find comfort in God's Word, the Bible, and continue to rely on Him in prayer. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they are resurrected back to life. What a beautiful and exciting hope that is!
