“ Stan and I shared the same uncle and aunt. Mr. Heath and Ms. Helen Sherrill. One day in 1963 aunt Hellen called and said she wanted to show me something. We lived close by, so I hurried over to their house. There was Stan with a brand new 1963 bright red Ford fastback. I think it was a 427, 4 speed. That was one of the prettiest cars I had ever seen and that's saying a lot. me being a Chevy guy.

May you rest in peace fellow car guy.

“ Although Stan and his brother Jerry were older than us I remember them living beside us on Hwy. 801. They put up with us as young play mates.

Miss Ruby was always a friend to my mother Mae Lucille McConnell.

My prayers will be with the Goodman family...Norris McConnell
