“ I am so sorry to see about the passing of Stephanie. She was a wonderful friend, wife, and mother. I groomed Stephanie's dogs for years in which she became my friend. I always loved getting to see her every month and chat. She came to my wedding and baby showers. She always wanted me to have a baby on her birthday because I have 2 boys who nearly made it to it. May 17 may 21. I will miss talking to her about them and about her kids who she loved so much. Stephanie will be missed by everyone who knew her she was such a good sweet person. Thinking of her sweet family today and have her husband and children in my thoughts and prayers.

“ Stephanie, my little sister of my high school exchange year in the US.
I cherish this year, when you and Mom opened your home and your hearts to me, as one of the best times of my life.
May the many happy memories of Stephanie comfort and help John, family and friends through this difficult period.
It is a privilege to have known Stephanie and she will always remain in my heart.

“ *To my dear sister, I love you always & forever in my heart. -*

The Lord has let our bodies be like a cocoon, our spirit is like a butterfly 🦋 and when our spirit is ready to go home, we spread our wings and fly, and any time you see a butterfly near you're know our love ones are still close to remind us how beautiful their love for us will always be strong in our hearts.

“ *I don't believe a kinder person has ever walked this earth. Stephanie had that rare combination of a sharp mind, quick wit and a heart as big as the world. I know that John and the kids know what an extraordinary gift she was, not only to them, but to everyone she touched, and I am so lucky to have counted Stephanie as a friend & mentor. I hope that the memory of her smile can help you through the times ahead. I am so sorry and send all my love....*
