“ *My deepest condolences to Mr. Allen's family and friends; while no words may ease your pain, rest assured that the pain we feel won't go on forever. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they're resurrected back to life. Once resurrected, they can enjoy the promise found at Revelation 21:4 which speaks of a world in which death, tears, mourning, and pain don't exist, for "the former things have passed away". “ *Sorry to here about your loss. Prayers to all of his family. Steve and I went to high school together and worked together for a short period of time a few years ago.*

“ Steve is my sweet, funny, loveing nephew. Steve is a little brother to me. After he got his license, him and his friends would hang out at our house all the time. We loved it. Steve and his Uncle Freddy are Carolina Tar Heel fans all the way. They would watch the games together at my house. I think they thought the basketball players would hear them. LOL. It was so funny to watch them. You will always be in our hearts and we love you Steve. Love Aunt Karen and Uncle Freddy Philemon.

“ So very sorry to hear about Steve. I watch him grow up from the time of being 10 years old and life is to short to keep in touch with each other. My thoughts and prayers are with each of the family.
