“ So sad to learn of Steve's passing and at such a young age, Have not seen Steve in many years since both our families moved from New Jersey. Will always remember his love of a good dinner, a good time and his laugh and big smile. Oh, and his love of cars and trucks

“ To my cousin Jimmy and all Steven's family I send my deepest condolences. I am Steven's cousin Suzanne and I remember growing up spending Christmas at Steven's mom and dad's house - my uncle Bill and my Aunt Doris. Steven, Billy and Jimmy, as my only first cousins will always be remembered in my mind as I saw them as kids. We'd play pool and yard darts and have Christmas dinner together. I'd always run to the olive dish I knew Aunt Doris would have as I loved olives. Steven always had nice things to say to me and made me laugh. Fond memories from childhood. Again, my thoughts and condolences to all who loved Steven.
