

Steven Mark Grimsland

July 16, 1960 - December 22, 2020

Steven Mark Grimsland, 60, of Mooresville, NC, died in a tragic accident on Tuesday, December 22, 2020, while working near Asheville, NC.

He is survived by his loving wife, Stacie (Bartlett) and his beloved son, Andrew. Also surviving are sisters, Arleen Irons and Linda (Gerry) Lanza; brother, David (Irina) Grimsland, and many cherished nieces, nephews, and cousins. He will also be greatly missed by his in-law family, Richard and Joan Bartlett, Marshall and Cathie Ayres and children, and David Bartlett. He was predeceased by his parents, Anders and Maria (Kobbeltvedt).

Steve was a Project Manager at Veolia Environmental Services, working out of the Mooresville, NC, office. He was a loyal employee for 34 years.

Steve had a larger-than-life personality with his smile preceding him into every room. He grew up in Sparta, New Jersey and lived in Syracuse, New York for several years. Moving to North Carolina in 2000, Steve made life-long friends everywhere he went. Always generous, Steve enjoyed being a mentor and friend to his younger family members. He was the life of every party and enjoyed getting to know new people. He was very proud of his Norwegian heritage and made several trips there to visit family. He enjoyed traveling, especially if he could get there on his Harley. Steve was an avid sports fan, rooting for the NY Mets, Giants, and Rangers, no matter how awful they were

doing! His love, light, and laughter will be missed by all who knew him.

“ I only met Steve about 6 years ago when we moved in across the street. We would talk from time to time about different things and it usually ended up being about sports or our yards. Steve has a beautiful yard that he always had looking perfect. He took pride in it and all the neighbors could tell. Even though we cheered for different teams and different hobbies, that didn't stop me from calling him a friend. On Saturday mornings we would hear that familiar sound of the Harleys starting up and heading out for the day. It was a joy to have a beer with him from time to time and just chat. He always had that smile on his face. It wont be the same to look out across the street and not see him or say hi. We will miss you my friend.

“ It is hard to believe Steve is no longer with us. I'm sure after all these years of service to the company and the environment, he was sure to retire and sit back and enjoy his latter days with his family. Words cannot express how sadden I am by this tragic loss. My condolences to the family, dearest friends and all the people at Veolia (AETC) past and present.
Sincerely,
Michael Johnson and Family

“ I have known Steve since 2006 as his EHS manager in the MAB. He always had a smile on his face and could make you laugh even when having a bad day. A great leader at work as well as at home to his family. A dedicated man with years of work experience that has been passed down to other employees over time. A person that will be truely missed!

“ I met Steve in the early years of AETC and shortly became great friends with him. Always fun to be around, honest, reliable, great sense of humor and on and on..... I then worked with him later when he was in Syracuse NY and I always looked forward to and enjoyed working with Steve because no matter what the challenge I knew that is was always going to be a great day. He lived and loved life to the fullest and will be greatly missed. My deepest condolences go out to Stacie and Andrew as well as all of his family and friends.

“ *I enjoyed working with Steve throughout the years. We both started at AETC the same year and worked a lot of projects together. We had a lot of fun at work and off work as well. My condolences go out to his family, especially to Stacie and Andrew. What can I say other than I am glad to have known Steve, he had that way of lighting up the day, even when the day was not going well. He will be sorely missed. I will always remember his great smile.*

“ *From the very first moment you met "Uncle Steve" he made you feel like family. He was always smiling with his infamous stache and legendary "How ya doin'!?". I was never not happy, smiling and laughing when in his presence. His positive demeanor could turn any mood into laughter. When you met him you knew you met a friend for life and someone who would always have your back no matter what. His love for people will only be surpassed by the love people had for him. He will be greatly missed and always remembered for the great man he was.*

“ My husband Paul and Steve were friends in high school, in 1983, Steve came and visited us at our house on Lake Grinnell in Sparta, the boys were boys and ate 9 grilled cheese sandwiches in one sitting! Every time Steve finished one, he was ready for another. He always had us laughing and his smile was infectious. In October 2010 I took my youngest son Christopher to a race at Charlotte Speedway and posted about it on Facebook, Steve was so kind and gracious and suggested we meet for breakfast at the Waffle House, off his exit near Mooresville, then for a quick tour of the area and his beautiful home. Thanks for the wonderful memories Steve, you will be missed by so many!
