“ *Steve was one of the "nice guys". Always had a smile on his face and ready to help out anywhere he could. He served me my first Freezer Strawberry Jam and I have loved it ever since. His smile and his presence will be missed at Broad Street. Prayers for Sharon and Andrew and all of Steve's family and friends. RIP my friend, we will miss you.*

“ *I send my deepest sympathy to the entire Patton Family. Always remember the wonderful times that you spent with him. Please find comfort in what the Bible says about the opportunity of seeing your loved one again under the very best of conditions: "He will swallow up death forever." (Isaiah 25:8) For more comfort please go to <http://www.jw.org/en/video-why-study-the-bible/> and then search for "When Someone You Love Dies" Brochure.*
