

Steven Alan Ramsay

July 25, 1953 - February 26, 2025

Steven Alan Ramsay (Bob) passed away on Wednesday, February 26, 2025, at his home in Mooresville, North Carolina, surrounded by his loving wife, Jane, and sister, Leslie.

He was born on July 25, 1953, in Sheridan, Wyoming. Steven was preceded in death by his mother, Gloria Joyce Ramsay, and his father, Douglas A. Ramsay, both of Denver, Colorado.

Steven never knew a stranger and was comfortable speaking with anyone at any time.

He was a voracious reader and in constant search for as much knowledge on any topic as he could garner.

Steven loved to laugh but, more importantly, he made everyone around him laugh.

He had a wonderful and at times dry sense of humor. One of his friends once said that you always knew when you were at Ramsay's house because your stomach would be hurting from all the laughter.

Steven will be remembered as a devoted and loving husband and a treasure of a brother.

A finer friend could not be found.

A graveside service will be held at 10:00 AM, Friday, March 7, 2025, at Salisbury National Cemetery.

The family will receive friends from 3:00 - 5:00 PM, Thursday, March 6, 2025,

at Cavin-Cook Funeral Home.

The family would like to extend their sincere appreciation to all the hospice nurses, physicians and staff for their compassionate and supportive care that was provided.

The family respectfully asks that in lieu of flowers, donations to be made to the charity of your choice.

Cavin-Cook Funeral Home, Mooresville is proudly serving the Ramsay family.

Condolences may be made to the family at www.cavin-cook.com.

“ Steve was my boss and my friend on board the USS Biddle (CG 34) many years ago. It may be strange that a Navy ship would be the foundation of a friendship among four people: Steve and Jane and Jo Ann and myself. But that is how life happens. When our son, Jason, was born the first place we stopped on the way home from the hospital was the USS Biddle. And one of the first people he met was his future Godfather, Steve. He was a brilliant man, with an infectious sense of humor. I will never forget his laugh, or the kindness that underscored his life. Thank you for your friendship. Fair winds and following seas shipmate.

“ I was Steve and Janes homebuilder and I became quite fond of both of them throughout the process of building we became close and I can say from my view the world has become a little less kind a little less gentle and a little less brilliant without Steve. He was an absolute genius but never acted as though he was better than anyone. Steve was always so generous with his time and his knowledge. I am forever grateful that he took the time to help my son with a school project. I am forever grateful that Steve and Jane took the time to help me when I needed it too. Steve was a joy to talk to about politics and his vast knowledge of so many things. Always grateful for my time with Steve and the conversations we shared. I know you are at peace Steve you earned it.

“ Our family will miss his clowning around with the children, including those great sound effects! We adults will miss his awe-inspiring breadth of knowledge of world history and current political activities. All will miss that smile and laugh for sure. Kudos to Jane for helping to extend his time on earth. Hugs & kisses from Ca, Leah, Tony, Jack & Isla.

“ Dear Jane and Leslie,

Please accept our sincere condolences. Steve was such an upbeat and positive person. He handled challenges with grace and spirit. We often reflect on our like minded conversations about the world at large and enjoyed his insight and opinions! Always a joy to see him on his John Deere or that beautiful blue golf cart. May your memories bring you strength as you navigate the days ahead.
