“ My brother Steve has always been the best son that a Mother could have. I have always relied upon Steve's role of care-taker for our Mother and he went to visit her every day possible at her nursing facility. He was a welcomed at the facility and befriended all who needed a smile or a chat. Steve had a fun personality that brightened everyone's day. Our Mother is so proud of her son, my brother. She and I are missing his wonderful presence until we meet him again in Heaven.

Thank you for your love for us, Steve. Please be in that promised peace which you so richly deserve.

“ I will miss seeing Steve at the Post Office. He was always so upbeat, and always asked about Gerald. Also saw him singing in the Troutman Baptist Church choir. I know he's singing in heaven now! 🙏💕🙏

“ I went to school with Steve. He was a fun loving, good timing, life of the party, one in a million kind of guy. I was always glad to hear from him and be able to spend time with him and was lucky enough to spend some time with him not so long ago. He was a devoted son to his mother and his loss will be felt by many. Fly high my friend 💔

Sending prayers to the family. Steve loved attending anything social! He was never at a loss for words. He would tell me that he was the King of Bingo because his mom loved to play when she was able to. God bless you all.
