

## Sue Atwell Beam

July 27, 1936 - October 7, 2022

Sue Atwell Beam, age 86, passed away peacefully in her home on October 7, 2022, surrounded by her loving family. Sue was born July 27, 1936, in Mooresville, NC to Henry and Mary Atwell and grew up in the Mooresville/Davidson area. She is survived by sisters Marie Walkup (Harold Walkup) of Fayetteville and Shirley Christy (Frankie Christy) of New London. She married Robert Bruce Beam Jr., in 1954 and remained married until his death in 1992. They had 3 children together; Robert Andrew (Andy) Beam of Statesville, who preceded her in death, Kathy Beam of Davidson and Lorie Beam (Rhonda D'Urso) of Raleigh.

Sue retired from GSK (Glaxo Smith Kline) after years of professional service while still holding down the traditional duties of supermom. She was a loyal and dedicated mother and in her later years enjoyed being doted on by her daughters and extended family. She was always ready to head to the beach or for any adventure traveling and dining out with family and friends. She loved church and singing hymns with her sisters and others at family reunions. Her family brought her much joy. She cherished her daughters and embraced every minute with them. It was that love and the support from family and friends that gave her tremendous strength in these last years.

We are so appreciative of the outstanding support we received from mom's caregivers and Hospice Transitions LifeCare of Raleigh. Donations can be made to Hopewell Baptist Church of Davidson, NC or Transitions Hospice of the Triangle.

A funeral service will be held at 2:00 PM on Thursday, October 13, 2022 at Hopewell Baptist Church, 18841 Davidson Concord Rd., Davidson, NC 28036, with Rev. Sammy D. Pierce officiating. Interment will follow the service in the church cemetery. The family will receive friends following the interment in the church fellowship hall.

Support for the family is being provided by Cavin-Cook Funeral Home in Mooresville, NC.

“ My grandma & Sue & Marie gathering around the piano to sing. They sounded so heavenly & seemed happy. Mom used to say behave in church Bc don't wanna get “The look from Aunt Sue” that's all it took a look from Sue. Wanted to keep Aunt Sue smiling. Loved her smile, brightened my day! One time grandpa noisily fumbled to give me candy in church. Sue looked over! I knew she loved us (family) Kathy & Lorie did an amazing job taking care of her over the years. Her face would light up when she'd tell me, Kathy or Lorie was taking her somewhere. Or I could hear the excitement in her voice. I remember when Lorie was sick. Sue would say she had to get back & take care of her. Sue showed great strength after Robert.

“ Sue was my " special mom" nearly 50 years. I loved her lyrical voice and genuine giggles! We enjoyed many beach trips over the years. She always ordered flounder! She loved her family so much and was very dedicated to her dear Robert. Now they are united again. I am sure they both are smiling! Bill and I send love and comfort to Kathy and Lorie and all the Family.  
We will always remember Momma Sue's loving friendship. Laura & Bill
