“ I was so saddened to hear the news of Susan and her husband's passing. I've known Susan for the better part of my life and always thought of her as one of the sweetest person's I've known. When we were young we lived near each other in the middle of town (Mooresville). She and her family lived on Center and ours' lived on Sycamore. We attended school together and graduated together in the Class of '84. As adults and parents, our paths crossed again when my wife and I moved to Magnolia St in Mooresville and our backyard adjoined our new neighbor: Susan, along with her family. My sincere condolences to the family and especially James and Matthew. May the Peace that passes all understanding attend you all.

“ I have many wonderful memories of Susan. There are six of us girls that get together every month or so and have girls night. Susan was always the one that could make you happy with her sweet smile and caring heart. She truly cared about everyone but most of all her Marty. She loved all their children and was just over the moon for little Dex! He was away in Florida this past month and she texted me telling me how much she missed having him there. We will all have a hole in our hearts missing her. Girls night won't be the same, but we will have some wonderful, happy, laughable, and tearful memories of a beautiful soul. We are praying for all of the family. She loved you with all her heart.

“ I worked with Susan for several years at Lake Norman Regional Medical Center. She was such a sweet and caring nurse, she treated all of her patients with compassion and kindness. I am so very sad for all of us to lose such a beautiful soul, but I am especially sad for the entire family to lose both her and Marty at the same time. My heart goes out to all of you. Love and Prayers ❤️🙏
